Unity School of Creative Living

"...Creating an atmosphere in which the unfolding genius of the child can emerge to facilitate his becoming a self-confident individual. We believe each child is an unlimited, spiritual being..."

Our goals are to provide opportunities for the child to:

- Become a creative thinker.
- Balance his/her spiritual, mental, emotional, physical and academic development.
- Become a thoughtful, compassionate individual.
- Understand relationships to all living things.

We provide:

- Nutritious snacks.
- Field trips.
- Positive and warm interactions among adults and children.
