## Message from Board President

Unity of Tucson will not be holding Sunday services on March 22<sup>nd</sup> and March 29<sup>th</sup> in response to recommendations by experts in the fields of disease containment and our loving desire to do our part in the prevention of the spread of any disease.

At the heart of our teaching is the concept of Oneness. This Oneness manifests as our wholeness and interconnectedness with God. The Bible reminds us in multiple places “Do not be afraid”. While we tend to our responsibilities in the world by diligently following health recommendations, we must also mindfully strengthen our awareness of Oneness and trust it to inspire us with the appropriate actions that match our spiritual wholeness. Take the steps as an act of love, not born of fear, just common-sense actions born of love.

Our health is an inside job. Remain focused on peace and love inside of you. Consider some of the following simple and loving affirmations during the next couple of weeks: I am a child of God, I inherit health. I am healthy. I choose health. I am one with God, I enjoy radiant abundant health! God, I am one with you and your world.

Tucson New Thought with Reverend Jonathan Zenz will be providing a service on line. Please refer to the below message from Rev. Jonathan for further details to join the Tucson New Thought Community virtually for the next two Sundays to receive spiritual nourishment.

On April 1<sup>th</sup> we will be blessed as Reverend Jonathan Zenz takes the reigns as our new minister.

A loving reminder a church’s expenses do not stop even though services are not held. Your tithes are so very important and appreciated. We encourage you to call the office with your credit card tithe or mail them directly to the church. Personally, bless them “Divine Love, as me, blesses and multiplies all that I am, all that I have, all that I give and all that I receive. I thankfully acknowledge God as my Source. Amen”. A prayer of acceptance and gratitude will be made for all received.

Know all is well!

Karen Ives  
President

## Message from Rev. Jonathan Zenz

Greetings! I wanted to pass along a note to you, and I am grateful to have the opportunity to do so as we experience unprecedented circumstances in our world right now. As this shared experience of “pandemic” plays out in our world, I hold to the Infinite Truth that we are all living as the Loving Presence and we are Divinely protected at all times.

The guidelines that have been suggested by the US government suggest that no one gather in groups of greater than ten until the end of March. I take this to heart and as a result I believe it is an act of Love to support our communities by following these guidelines. In coordination with Karen Ives, and the Board of Unity, I have offered in place of an “in-person” service at Unity of Tucson that you can join the Tucson New Thought Community for a virtual celebration on Sunday, March 22. We will begin at 9am with a 30 minute meditation, and then at 10:30am offer our service.

You can enjoy the community connection from the comfort of your home by engaging with us online!

The link to enjoy both the meditation and the service can be found on Youtube by clicking here. The link's address is <https://www.youtube.com/channel/UCRe3pEeevCxTNpY29ejzwLA>.

I am grateful to you for your flexibility during this time and look forward to gathering in community very soon! Until then, let's take each day with a breath and move forward leading with Love!

Peace and Blessings,

Rev. Jonathan Zenz

## ENRICHING OUR LIVES THROUGH FAITH

**3rd Enrichment Power - Order**  
March: Organization, Adjustment & Evolution

God is order, the organization principle revealed in the pattern and sequence inherent in all of life. As such, order is never an imposed outcome or remedy. Instead, order is our capacity to organize thought and action, to adjust to changing conditions, and to evolve.

As defined by Charles Fillmore - "Evolution is the unfolding of the Spirit of God into expression. The God Evolution in man is plainly taught in the New Testament. To evolve is to develop yourself gradually from within yourself, the evolution of your mindset, habits, daily routine, associations and life."

Romans 8:19 "For the earnest expectation of the creation waiteth for the revealing of the Sons of God."

Also, from the Bible:

Genesis 1:31-35 "God saw all that he had made and it was very good. And there was evening, and there was morning - the sixth day."

Some tantalizing quotes:

"Words are also seeds, and when dropped into the invisible spiritual substance, they grow and bring forth after their kind." Charles Fillmore

"Evolve into the complete person you were intended to be." Oprah Winfrey

"Continue to grow and evolve." Mahatma Gandhi

"Mistakes help you evolve. Make them, don't be hard on yourself, learn from them and evolve." Anonymous

"Man must evolve from human conflict to a method which rejects revenge, aggression, and retaliation. The foundation of such a method is love." Martin Luther King, Jr.

## Prayer

### Prayer for Unity of Tucson

**The future is full of promise, Holy Mystery, if only because we discern your forces of evolution at work everywhere. Every opening daffodil, every growing child, every glimmer of human enlightenment, every bodily process of healing tells us the future is not fearsome but is full of potential.**

**Your face is hidden, your name unknown still we turn to you in faith and confidence. Creating Evolutionary Spirit, we hear your comforting voice in the steady music of the unfolding creation, in harmonies and dissonances of the world around us into which we pour our humble efforts. We give thanks to exist, and to be in some way the joy of your heart.**
